New York, September 9th.—It was reported on the Stock Exchange this afternoon that Jay Gould had bought the Baltimore and Ohio telegraph lines for a consideration of \$3,500,000 in Western Union stock. The announcement was followed by a wild scene in the Western Union crowd, fully 200 brokers gathering around the spot allotted to it in the Exchange, and their purchases, which were enormous, forced prices from 77 1/2 to 79 1/2 in less than three quarters of an hour. Gould was on Wall street a good part of the day and in conference with members of the Baltimore and Ohio syndicate for over an hour and a half. President Green of the Western Union Telegraph Company, refused to speak in regard to the matter.
